# Mirabelle Cust

## **Sensible Sophistication**

What happens when you combine beautiful styling, effortless performance, gracious comfort and affordable luxury? The result is sensible sophistication. In a word, you get Mirabelle.

Mirabelle Custom Showering offers the features homeowners desire most, designed in concert with the collections of the full Mirabelle product line and bringing a sophisticated spa-like indulgence to your shower experience.

With the comfort and performance of Mirabelle, you can completely customize a personal spa design with beautiful styling that enhances the look and feel of your master shower. And sensible? Mirabelle Custom Showering is the smart choice for affordable luxury.

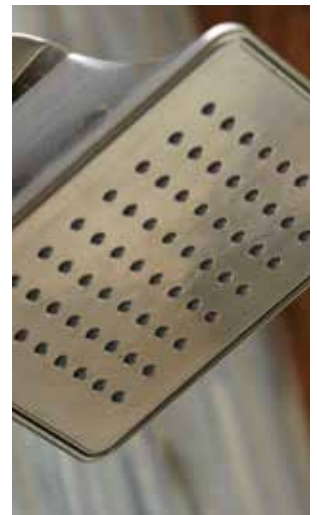

Sensible sophistication has arrived for your bath. Think Mirabelle.

## **Performance**

Mirabelle Custom Showering features high performance valves and trims for precision control of the spa experience. High flow thermostatic mixers, volume controls and transfer valves provide for custom design and flexibility of use.

## **Comfort**

Mirabelle makes it easy to create a shower experience that's all your own. Deluxe showerheads, handshowers, and bodysprays can be used individually or in combination. Control what you want and how you want it. Personal comfort is assured.

# om Showering

## Style

Mirabelle's selection of custom showering products is designed to complement its fixtures and faucets, bathing products, and accessories. Your personal sense of style is rewarded with elements that work together beautifully.

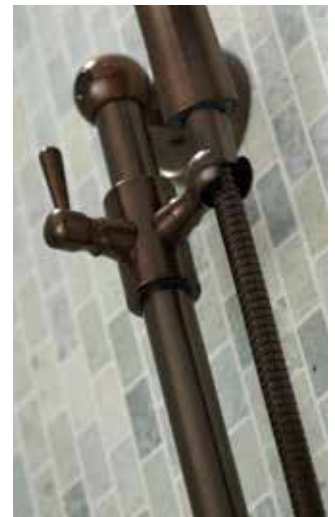

## Beauty

Whether your sensibility is clean and modern, romantic and elegant or casual and fun, Mirabelle helps create a beautifully appointed bath that enhances your life and is true to your style. The sophisticated look and feel of a personal spa retreat is yours with Mirabelle Custom Showering.

## Ferguson Bath & Kitchen Galleries, and Wolseley Canada Showrooms

Mirabelle Custom Showering is available at all Ferguson Bath & Kitchen Galleries in the U.S., and at Wolseley Canada showroom locations. Our friendly and knowledgeable product experts will help you create the bath or kitchen project that meets your needs, your budget and your taste.

Looking for a truly professional level of service with people who listen and care? Look to the Ferguson Bath & Kitchen Gallery or Wolseley showroom professionals near you.

# ST. AUGUSTINE®

## MIRSA9009

- Thermostatic Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6004 - 1/2" or MIR6006 - 3/4")
- Available in CP, BN & ORB finishes

## MIRSH2010E

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Required accessory: shower arm kit MIRSK85
- Available in CP, BN & ORB finishes

## MIRSA9007

- Volume Control Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6020 - 1/2" or MIR6040 - 3/4")
- Available in CP, BN & ORB finishes

## MIRSA9005

- Transfer Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6103 - 3/4")
- Available in CP, BN & ORB finishes

## MIRSA8010

- Pressure Balanced Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR3001)
- Available in CP, BN & ORB finishes

# EDENTON®

## MIRE9009

- Thermostatic Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6004 - 1/2" or MIR6006 - 3/4")
- Available in CP & BN finishes

## MIRSH2020E

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Required accessory: shower arm kit MIRSK80
- Available in CP & BN finishes

## MIRE9007

- Volume Control Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6020 - 1/2" or MIR6040 - 3/4")
- Available in CP & BN finishes

## MIRE9005

- Transfer Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6103 - 3/4")
- Available in CP & BN finishes

## MIRE8010

- Pressure Balanced Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR3001)
- Available in CP & BN finishes

## MILAZZO®

**MIRML9009**

- Thermostatic Valve Trim Kit
- Cross style metal handle
- Requires rough-in valve (MIR6004 - 1/2" or MIR6006 - 3/4")
- Available in CP & BN finishes

**MIRSH2020E**

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Required accessory: shower arm kit MIRSK80
- Available in CP & BN finishes

**MIRML9007**

- Volume Control Trim Kit
- Cross style metal handle
- Requires rough-in valve (MIR6020 - 1/2" or MIR6040 - 3/4")
- Available in CP & BN finishes

**MIRML9005**

- Transfer Valve Trim Kit
- Cross style metal handle
- Requires rough-in valve (MIR6103 - 3/4")
- Available in CP & BN finishes

**MIRML8010**

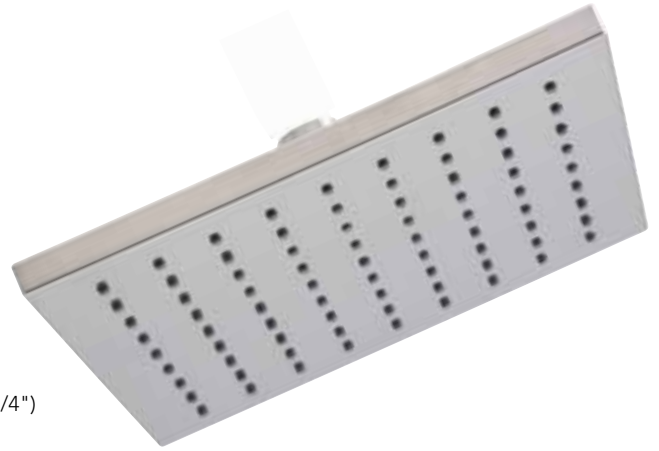

- Pressure Balanced Trim Kit
- Cross style metal handle
- Requires rough-in valve (MIR3001)
- Available in CP & BN finishes

**RIGI®****MIRRI9009**

- Thermostatic Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6004 - 1/2" or MIR6006 - 3/4")
- Available in CP & BN finishes

**MIRSH2080E**

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Required accessory: shower arm kit MIRSK81
- Available in CP & BN finishes

**MIRRI9007**

- Volume Control Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6020 - 1/2" or MIR6040 - 3/4")
- Available in CP & BN finishes

**MIRRI9005**

- Transfer Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6103 - 3/4")
- Available in CP & BN finishes

**MIRRI8010**

- Pressure Balanced Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR3001)
- Available in CP & BN finishes

## BOCA RATON®

**MIRBR9009**

- Thermostatic Valve Trim Kit
- Cross style metal handle
- Requires rough-in valve (MIR6004 - 1/2" or MIR6006 - 3/4")
- Available in CP, BN & ORB finishes

**MIRSH2030E**

- 5 function showerhead (Aeration, Massage, Full Spray, Spray + Massage and Spray + Aeration)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Required accessory: shower arm kit MIRSK85
- Available in CP, BN & ORB finishes

**MIRBR9007**

- Volume Control Trim Kit
- Cross style metal handle
- Requires rough-in valve (MIR6020 - 1/2" or MIR6040 - 3/4")
- Available in CP, BN & ORB finishes

**MIRBR9005**

- Transfer Valve Trim Kit
- Cross style metal handle
- Requires rough-in valve (MIR6103 - 3/4")
- Available in CP, BN & ORB finishes

**MIRBR8010**

- Pressure Balanced Trim Kit
- Cross style metal handle
- Requires rough-in valve (MIR3001)
- Available in CP, BN & ORB finishes

# VILAMONTE®

## MIRVL9009

- Thermostatic Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6004 - 1/2" or MIR6006 - 3/4")
- Available in CP, BN & ORB finishes

## MIRSH2060E

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 2.0 GPM flow rate
- Required accessory: shower arm MIRSK88
- Available in CP, BN & ORB finishes

## MIRVL9007

- Volume Control Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6020 - 1/2" or MIR6040 - 3/4")
- Available in CP, BN & ORB finishes

## MIRVL9005

- Transfer Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6103 - 3/4")
- Available in CP, BN & ORB finishes

## MIRVL8010

- Pressure Balanced Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR3001)
- Available in CP, BN & ORB finishes

# KEY WEST®

## MIRKW9009

- Thermostatic Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6004 - 1/2" or MIR6006 - 3/4")
- Available in CP, BN & ORB finishes

## MIRSH2030E

- 5 function showerhead (aeration, massage, full spray, spray + massage and spray + aeration)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Required accessory: shower arm kit MIRSK85
- Available in CP, BN & ORB finishes

## MIRKW9007

- Volume Control Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6020 - 1/2" or MIR6040 - 3/4")
- Available in CP, BN & ORB finishes

## MIRKW9005

- Transfer Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6103 - 3/4")
- Available in CP, BN & ORB finishes

## MIRKW8010

- Pressure Balanced Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR3001)
- Available in CP, BN & ORB finishes

# PENDLETON™

## MIRPT9009

- Thermostatic Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6004 - 1/2" or MIR6006 - 3/4")
- Available in CP, BN, ORB & PN finishes

## MIRSH2070E

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Required accessory: shower arm kit MIRSK85
- Available in CP, BN, ORB & PN finishes

## MIRPT9007

- Volume Control Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6020 - 1/2" or MIR6040 - 3/4")
- Available in CP, BN, ORB & PN finishes

## MIRPT9005

- Transfer Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6103 - 3/4")
- Available in CP, BN, ORB & PN finishes

## MIRPT8010

- Pressure Balanced Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR3001)
- Available in CP, BN, ORB & PN finishes

# PROVINCETOWN®

## MIRPR9009

- Thermostatic Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6004 - 1/2" or MIR6006 - 3/4")
- Available in CP, BN & ORB finishes

## MIRSH2040E

- 3 function showerhead (full spray, massage spray and full + massage spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Required accessory: shower arm kit MIRSK85
- Available in CP, BN & ORB finishes

## MIRPR9007

- Volume Control Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6020 - 1/2" or MIR6040 - 3/4")
- Available in CP, BN & ORB finishes

## MIRPR9005

- Transfer Valve Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR6103 - 3/4")
- Available in CP, BN & ORB finishes

## MIRPR8010

- Pressure Balanced Trim Kit
- Lever style metal handle
- Requires rough-in valve (MIR3001)
- Available in CP, BN & ORB finishes

## RAIN SHOWERHEADS

# RAIN SHOWERHEADS

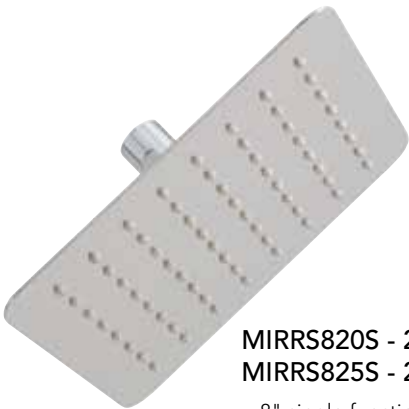

**MIRRS820R - 2.0 GPM**  
**MIRRS825R - 2.5 GPM**

- 8" single function showerhead
- Easy clean rubber nozzles
- 1/2" NPT brass ball joint connection
- Available in CP & BN finishes

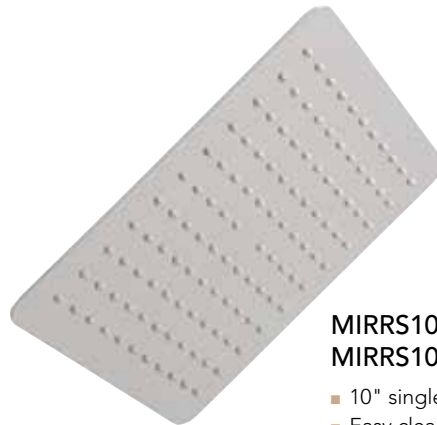

**MIRRS1025R - 2.5 GPM**  
**MIRRS1020R - 2.0 GPM**

- 10" single function showerhead
- Easy clean rubber nozzles
- 1/2" NPT brass ball joint connection
- Available in CP & BN finishes

**MIRRS820S - 2.0 GPM**  
**MIRRS825S - 2.5 GPM**

- 8" single function showerhead
- Easy clean rubber nozzles
- 1/2" NPT brass ball joint connection
- Available in CP & BN finishes

**MIRRS1025S - 2.5 GPM**  
**MIRRS1020S - 2.0 GPM**

- 10" single function showerhead
- Easy clean rubber nozzles
- 1/2" NPT brass ball joint connection
- Available in CP & BN finishes

**MIRRSC40 - 4"**  
**MIRRSC120 - 12"**

- Solid brass construction
- 1/2" NPT connection
- Escutcheon included
- Available in CP & BN finishes

**MIRRSA120 - 12"**  
**MIRRSA180 - 18"**

- Solid brass construction
- 1/2" NPT connection
- Escutcheon included
- Available in CP & BN finishes

# SHOWERHEADS

## MIRSH2010E

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 1/2" NPT brass ball joint connection
- 2.0 GPM maximum flow rate
- Available in CP, BN & ORB finishes

## MIRSH2020E

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 1/2" NPT brass ball joint connection
- 2.0 GPM maximum flow rate
- Available in CP & BN finishes

## MIRSH2030E

- 5 function showerhead (aeration, massage, full spray, spray + massage and spray + aeration)
- Easy clean rubber nozzles
- 1/2" NPT brass ball joint connection
- 2.0 GPM maximum flow rate
- Available in CP, BN & ORB finishes

## MIRSH2040E

- 3 function showerhead (full spray, massage spray and full + massage spray)
- Easy clean rubber nozzles
- 1/2" NPT brass ball joint connection
- 2.0 GPM maximum flow rate
- Available in CP, BN & ORB finishes

**MIRSH2060E**

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Requires MIRSK88 shower arm
- Available in CP, BN & ORB finishes

**MIRSH2070E**

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Required accessory: shower arm kit MIRSK85
- Available in CP, BN, ORB & PN finishes

**MIRSH2080E**

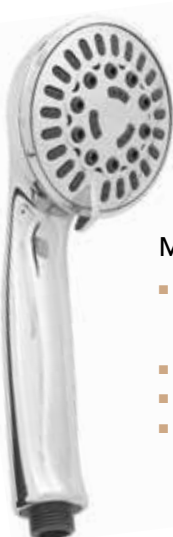

- Single function showerhead (full spray)
- Easy clean rubber nozzles
- 1/2" NPT brass ball joint connection
- 2.0 GPM maximum flow rate
- Available in CP & BN finishes

# HANDSHOWERS

## MIRHS4010E

- 5 function handshower (full spray, massage spray, aerated spray, full + massage spray and full + aerated spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Available in CP, BN & ORB finishes

## MIRHS4020E

- 5 function handshower (full spray, massage spray, aerated spray, full + massage spray and full + aerated spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Available in CP, BN, ORB & PN finishes

## MIRHS4030E

- Single function handshower (full spray)
- Easy clean nozzles
- 2.0 GPM maximum flow rate
- Available in CP & BN finishes

## MIRHS4060E

- Single function handshower (full spray)
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Available in CP, BN & ORB finishes

## MIRHS4070E

- 3 function handshower (full spray, massage spray, and full + massage spray)
- Easy clean nozzles
- 2.0 GPM maximum flow rate
- Available in CP, BN, ORB & PN finishes

## SHOWER ARMS

### MIRSK80

- Solid brass construction
- 8" length 45 degree shower arm with flange
- Available in CP & BN finishes

### MIRSK81

- Brass shower arm & flange
- Available in CP & BN finishes

### MIRSK85

- Solid brass construction
- 8" length 45 degree shower arm with flange
- Available in CP, BN, ORB & PN finishes

### MIRSK88

- With 1/2"-CTS connector
- Required accessory: showerhead MIRSH2060
- Available in CP, BN & ORB finishes

## MOUNTING ACCESSORIES

### MIRWB2010

- Adjustable wall mount bracket
- Available in CP, BN, ORB & PN finishes

### MIRSM2030

- Shower arm mount for handshower
- Available in CP, BN & ORB finishes

### MIRWE2040

- Wall elbow
- Available in CP, BN, ORB & PN finishes

## SLIDE BARS

**MIRSB3010**

- 30" slide bar for handshower
- Angle of handshower holder is adjustable
- Available in CP, BN, ORB & PN finishes

**MIRSB3020**

- 30" slide bar for handshower
- Angle of handshower holder is adjustable
- Available in CP, BN & ORB finishes

## BODY SPRAYS

**MIRBS5010E**

**MIRBS5040E**

- Adjustable swivel angle
- Easy clean rubber nozzles
- 2.0 GPM maximum flow rate
- Available in CP, BN & ORB finishes (PN available for MIRBS5010 only)

## SHOWER HOSES

**MIRH1010**

- 60" length
- Double spiral stretchable construction
- Available in CP, BN, ORB & PN finishes

**MIRH1020**

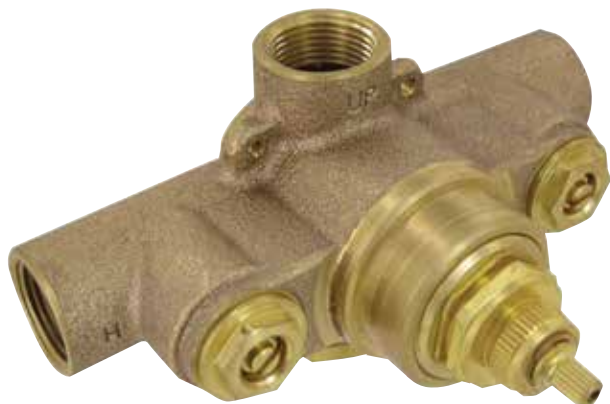

- 59" length
- Smooth hose
- Available in CP & BN finishes

# THERMOSTATIC VALVES

## MIR6004

- Heavy duty bronze valve body for long reliable service
- High performance thermostatic cartridge for precise temperature control
- 1/2" FIP water connections - 3/4" FIP model available MIR6006
- 11.35 GPM @ 60 PSI
- Integral mounting bracket
- Fits Mirabelle Custom Showering 9009 series trims - 7 styles in 3 finishes
- High flow design for multiple showering functions
- Factory comfort setting of 104 degrees
- Built in high temperature limit design
- Integral service stops and check valves
- Includes optional bottom port for tub spout only installations
- Requires an MIR6234 twin ell for tub diverter spout installations
- Requires Mirabelle Custom Showering volume control valve 6020 or 6040 series
- Mirabelle Custom Showering 6 way transfer diverter and trims available
- Mirabelle Custom Showering accessories complete the system
- All valves are fully water tested at factory
- Deep rough in extension available - MIR6004EXT
- Replacement cartridge available - MIR6004CRT
- ASSE 1016-T and cUPC approved
- Limited lifetime warranty for residential installations
- Service parts available
- Must be installed in accordance with provided installation instructions

## MIR6006

- Heavy duty bronze valve body for long reliable service
- High performance thermostatic cartridge for precise temperature control
- 3/4" FIP water connections - 1/2" FIP model available MIR6004
- 16.11 GPM @ 60 PSI
- Integral mounting bracket
- Fits Mirabelle Custom Showering 9009 series trims - 7 styles in 3 finishes
- High flow design for multiple showering functions
- Factory comfort setting of 104 degrees
- Built in high temperature limit design
- Integral service stops and check valves
- Includes optional bottom port for tub spout only installations
- Requires an MIR6234 twin ell for tub diverter spout installations
- Requires Mirabelle Custom Showering volume control valve 6020 or 6040 series
- Mirabelle Custom Showering 6 way transfer diverter and trims available
- Mirabelle Custom Showering accessories complete the system
- All valves are fully water tested at factory
- Deep rough in extension available - MIR6004EXT
- Replacement cartridge available - MIR6004CRT
- ASSE 1016-T and cUPC approved
- Limited lifetime warranty for residential installations
- Service parts available
- Must be installed in accordance with provided installation instructions

# VOLUME CONTROL VALVES

## MIR6020

- Heavy duty bronze valve body for long reliable service
- High performance ceramic disc cartridge for precise volume control
- 1/2" FIP water connections - 3/4" FIP model available MIR6040
- Fits Mirabelle Custom Showering 9007 series trims - 7 styles in 3 finishes
- High flow design for multiple showering functions
- Requires Mirabelle Custom Showering thermostatic control valve 6004 or 6006 series
- Mirabelle Custom Showering 6 way transfer diverter and trims available
- Mirabelle Custom Showering accessories complete the system
- All valves are fully water tested at factory
- Deep rough in extension available - MIR6020EXT
- Replacement cartridge available - MIR6020CRT
- cUPC approved
- Limited lifetime warranty for residential installations
- Service parts available
- Must be installed in accordance with provided installation instructions

## MIR6040

- Heavy duty bronze valve body for long reliable service
- High performance ceramic disc cartridge for precise volume control
- 3/4" FIP water connections - 1/2" FIP model available MIR6020
- Fits Mirabelle Custom Showering 9007 series trims - 7 styles in 3 finishes
- High flow design for multiple showering functions
- Requires Mirabelle Custom Showering thermostatic control valve 6004 or 6006 series
- Mirabelle Custom Showering 6 way transfer diverter and trims available
- Mirabelle Custom Showering accessories complete the system
- All valves are fully water tested at factory
- Deep rough in extension available - MIR6020EXT
- Replacement cartridge available - MIR6040CRT
- cUPC approved
- Limited lifetime warranty for residential installations
- Service parts available
- Must be installed in accordance with provided installation instructions

# TRANSFER / DIVERTER VALVE

## MIR6103

- Heavy duty brass valve body for long reliable service
- High performance ceramic cartridge for precise directional control
- 3/4" FIP water connections
- Fits Mirabelle Custom Showering 9005 series trims - 7 styles in 3 finishes
- High flow design for multiple showering functions
- 6 way diverter design - 3 independent and 3 shared settings
- Optional 3 way cartridge MIR6110 - 3 distinct independent settings with shared flow between settings
- Optional CALGreen cartridge MIR6150 - 3 distinct independent settings and no shared flow between settings
- Follow installation instructions regarding unused ports
- Uses Mirabelle Custom Showering thermostatic control valve
- Mirabelle Custom Showering volume control valve and trims available
- Mirabelle Custom Showering showering accessories complete the system
- All valves are fully water tested at factory
- Deep rough in extension available - MIR6101EXT
- Replacement cartridge available - MIR6180
- cUPC approved
- Limited lifetime warranty for residential installations
- Service parts available
- Must be installed in accordance with provided installation instructions

# INSTALLATION GUIDELINES

Mirabelle Custom Showering gives you the ability to create your own spa-like experience in the comfort of your home. Handshowers, multiple showerheads, and bodysprays can be married together to create the ideal shower experience.

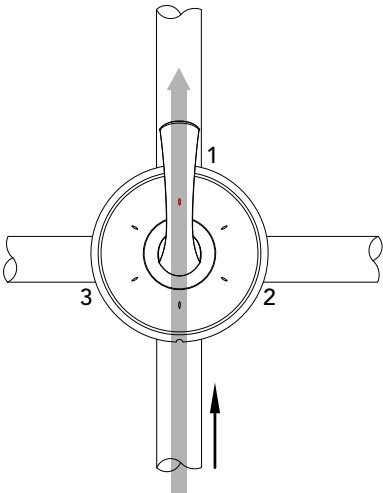

Many things must be considered when designing and installing a thermostatic custom shower system. The water pressure of the bathroom, the size of the hot water source (water heater), the size of the shower drain, and the size of the water supply lines are just a few things that need to be considered by the owner and installing contractor in order for the shower system to produce optimal performance.

The following pages offer some standard layout designs to help assist in design creation.

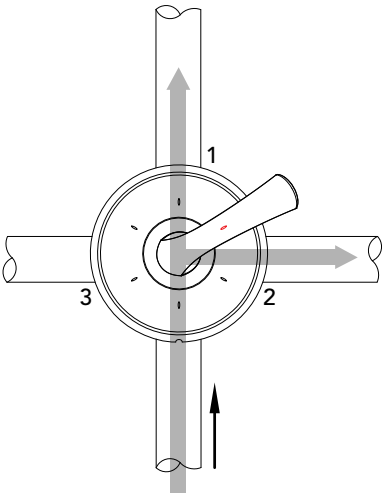

# 6-WAY TRANSFER VALVE

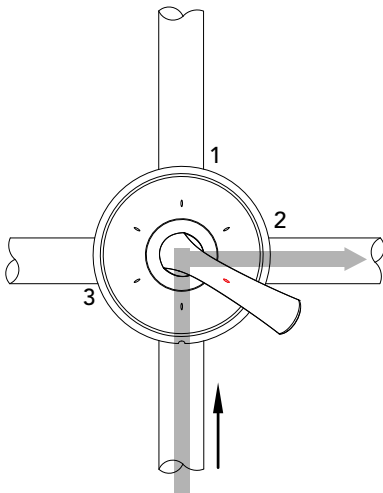

## MIR6103

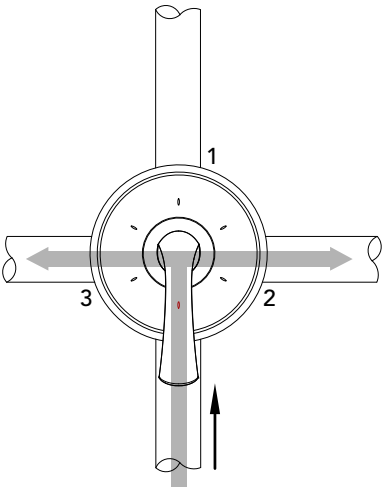

water flow from outlet 1

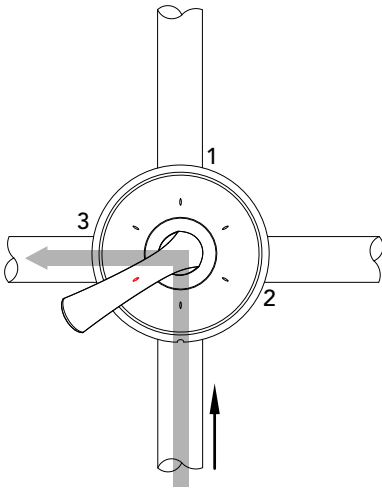

water flow from outlet 1 & 2

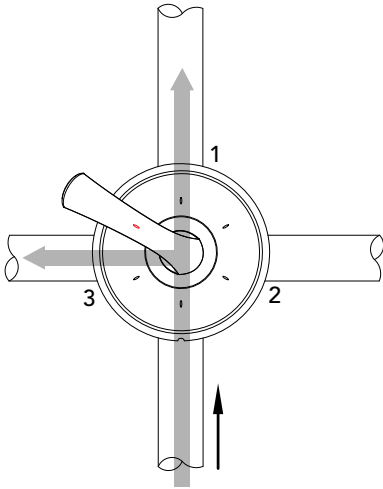

water flow from outlet 2

water flow from outlet 2 & 3

water flow from outlet 3

water flow from outlet 1 & 3

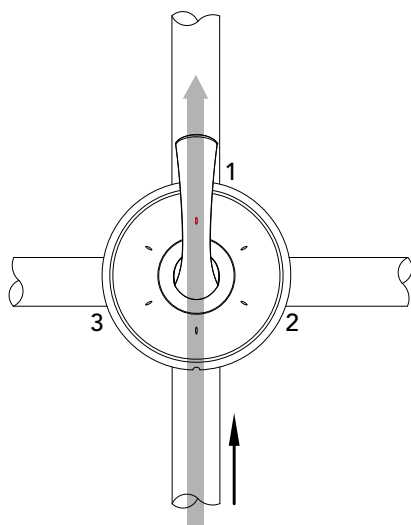

Note: Valve comes standard with 6-way cartridge.  
Each setting has a distinct position.

Outlets Supported	Component	2 Components	5 Components	6 Components
45 psi	●	●		
50 psi	●	●	●	
60 psi	●	●	●	●
70 psi	●	●	●	●

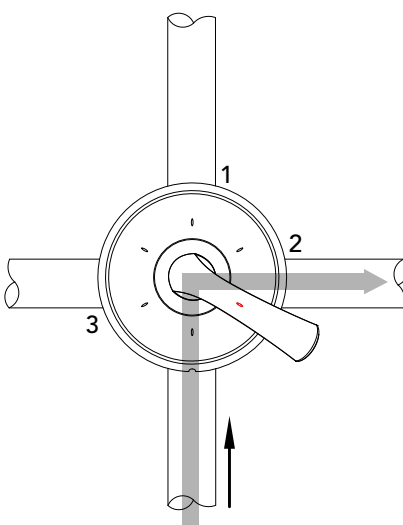

Operating water pressure required per number of components.  
Components based on 2.5GPM each.

## 3-WAY CARTRIDGE

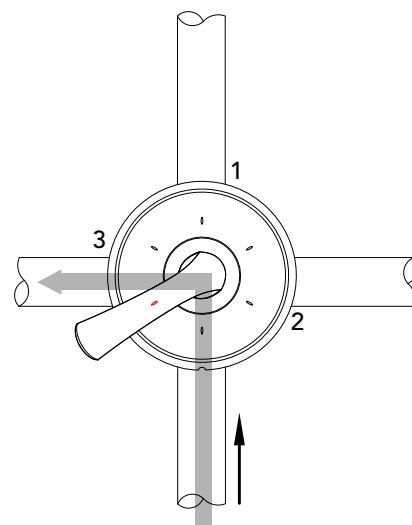

### MIR6110

water flow from outlet 1

water flow from outlet 2

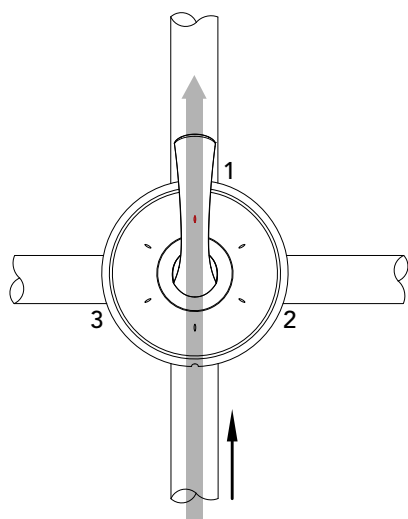

water flow from outlet 3

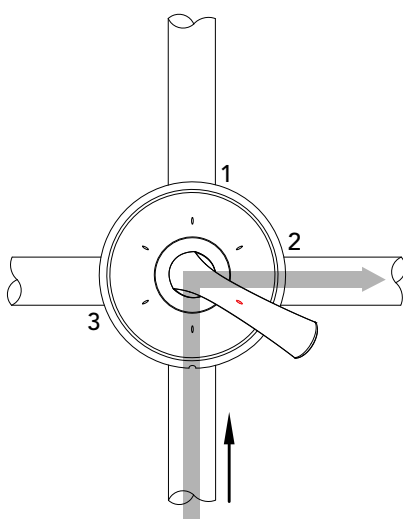

Note: The MIR6110 is an **OPTIONAL** cartridge.  
Flow is shared between 3 distinct positions.

## CALGREEN CARTRIDGE

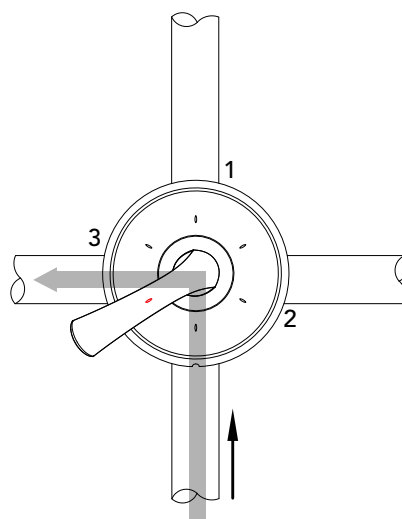

### MIR6150

water flow from outlet 1

water flow from outlet 2

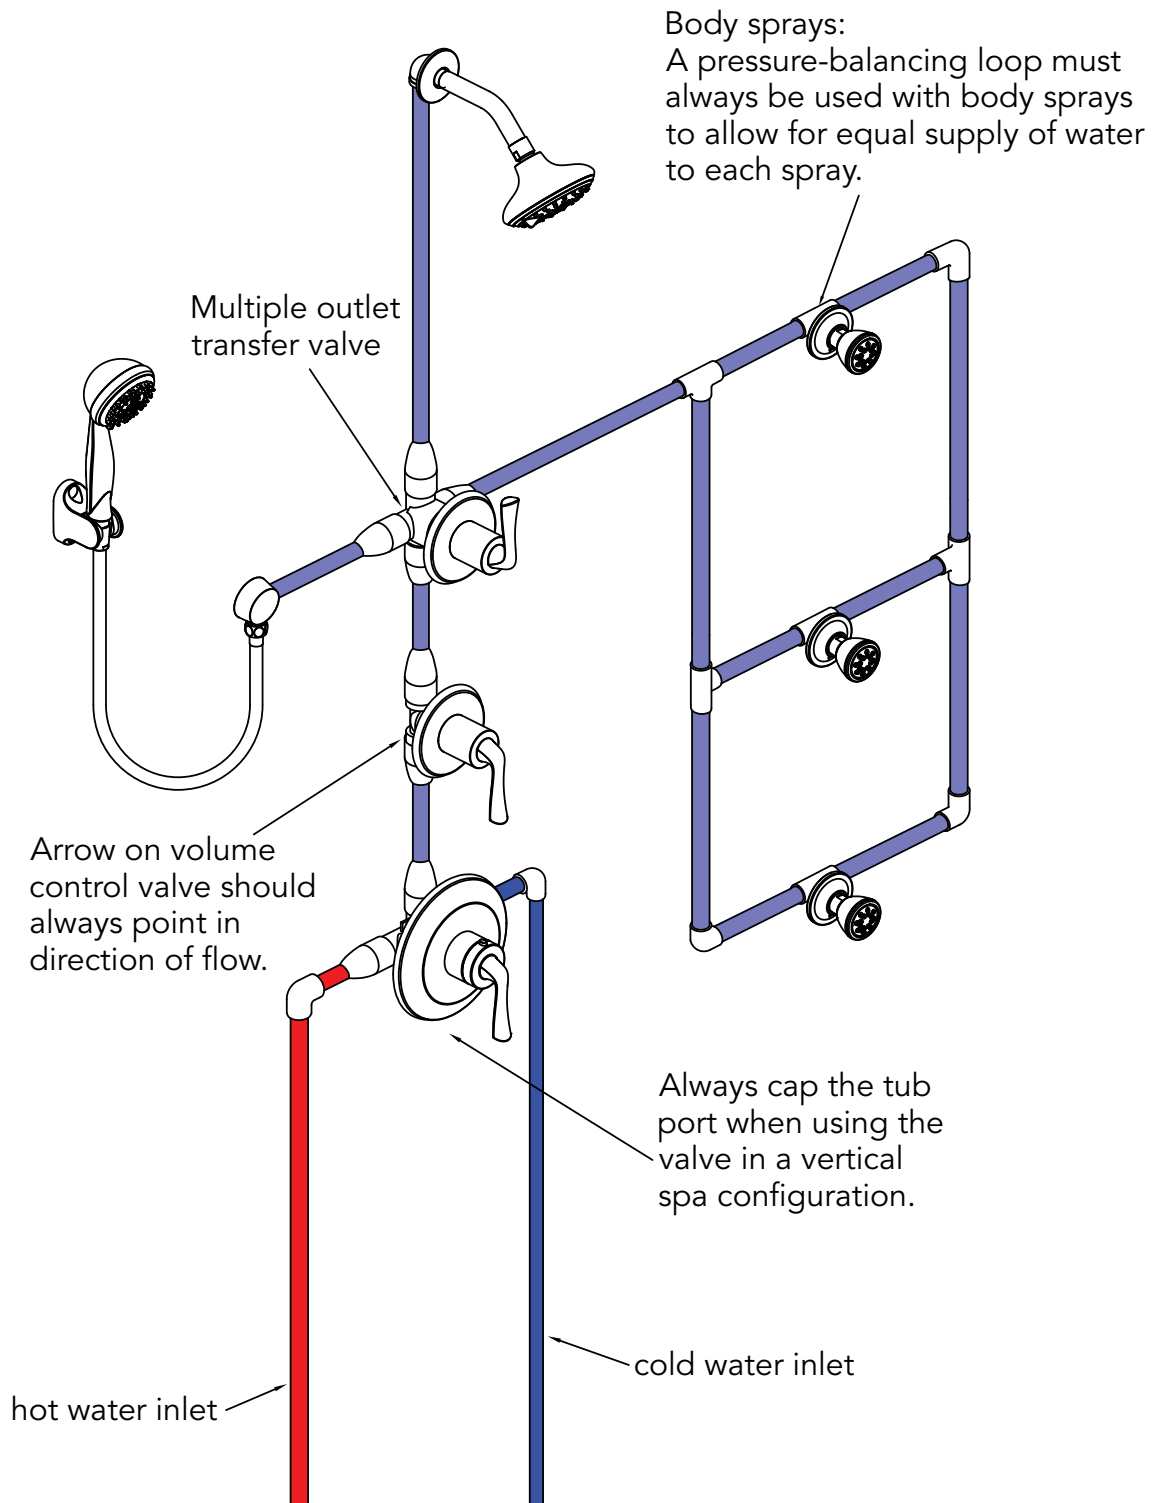

water flow from outlet 3

Note: The MIR6150 is an **OPTIONAL** cartridge.  
Flow is **NOT** shared between 3 distinct positions.

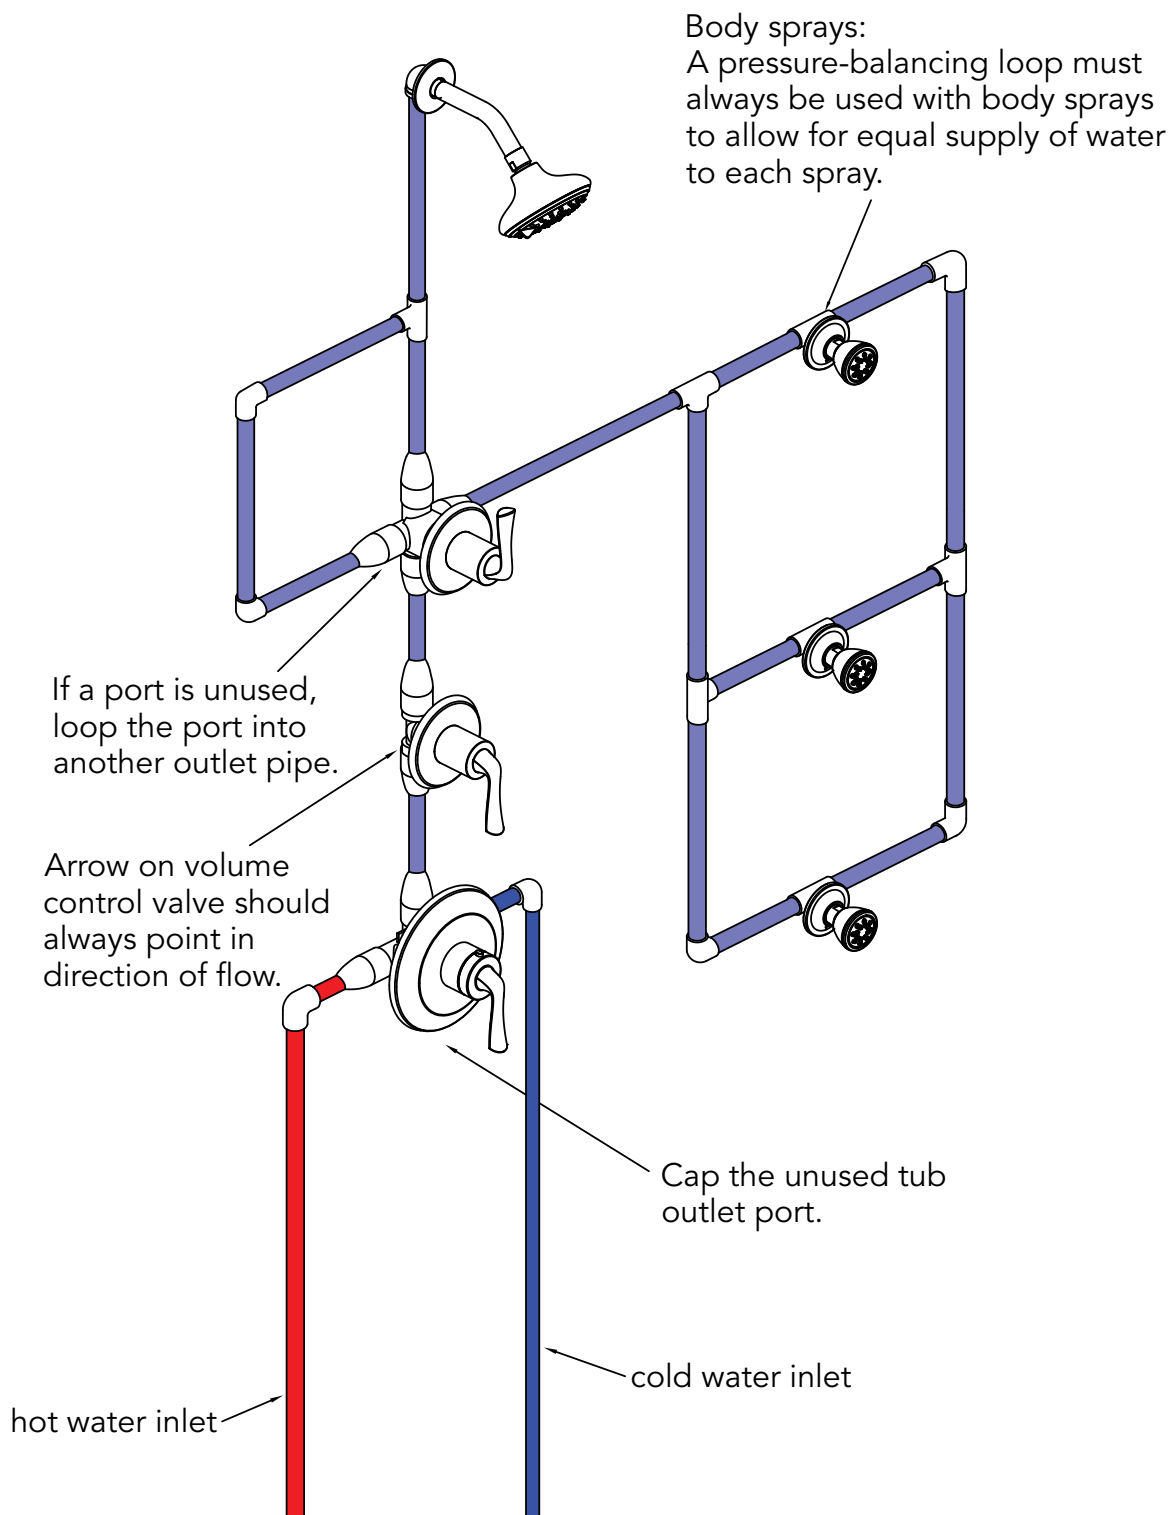

## Thermostatic Valve with Volume Control and Transfer Valve with 3 Outlets

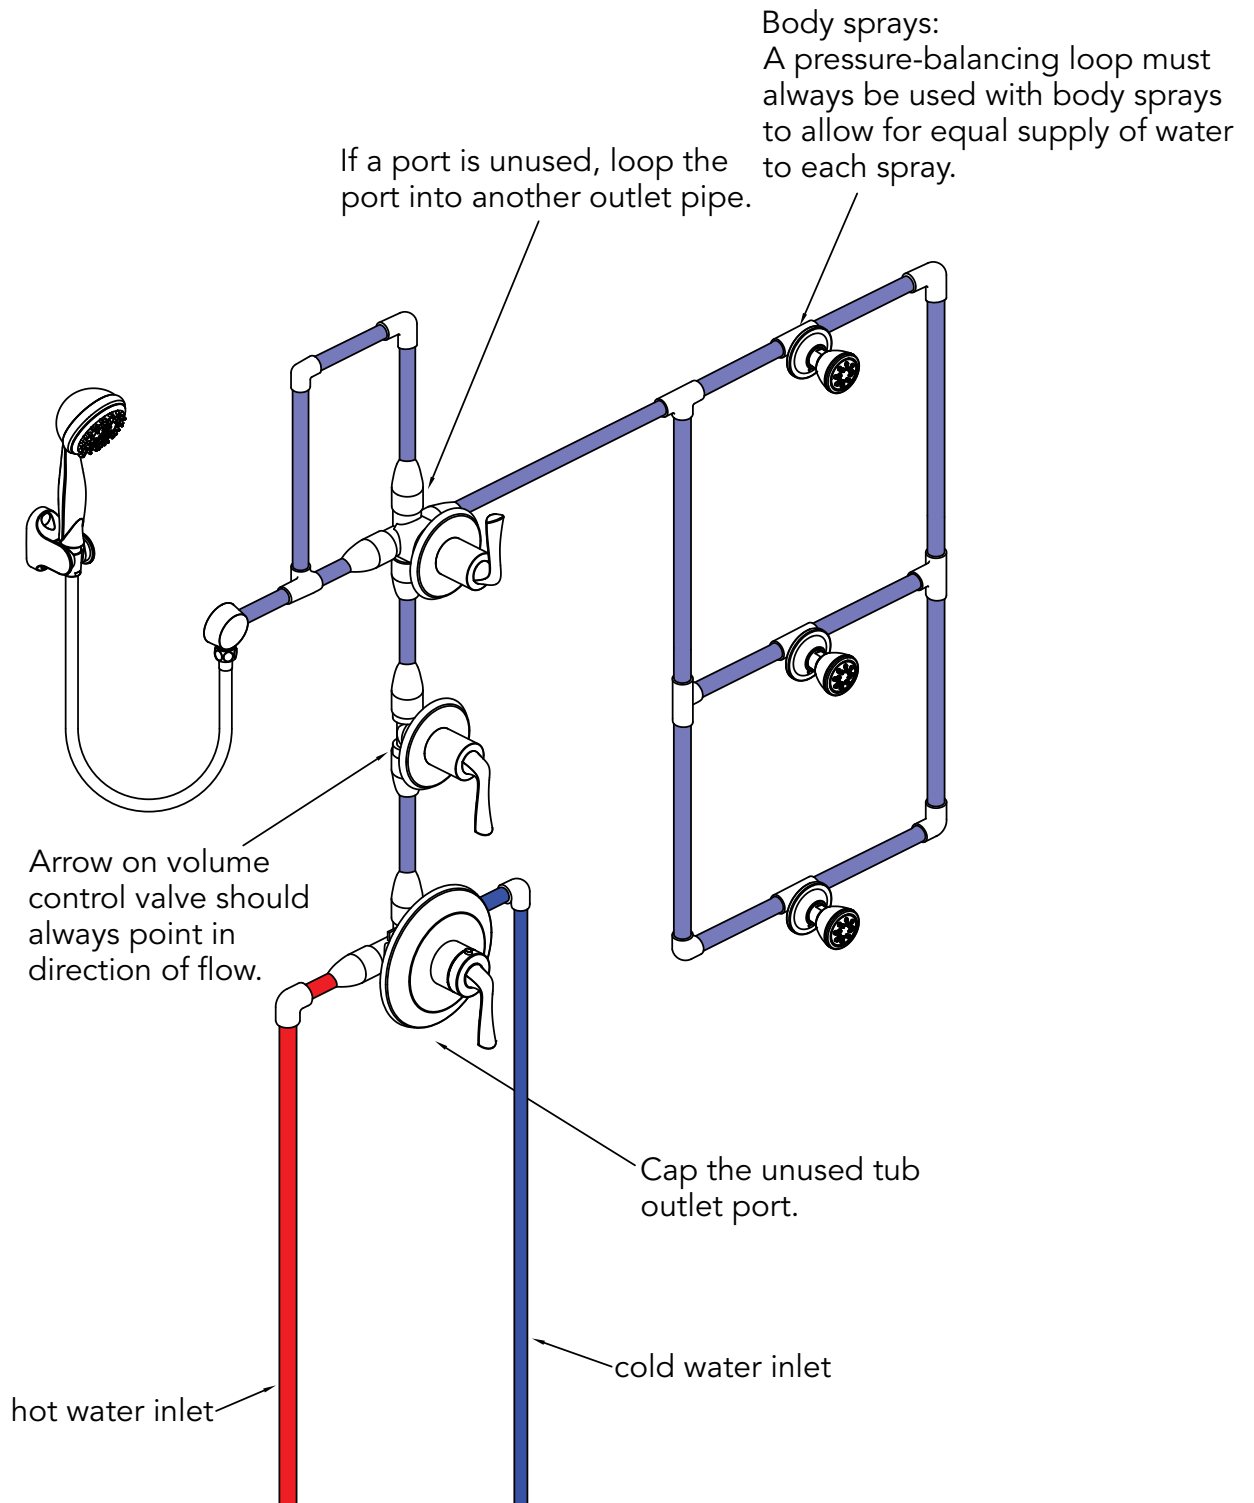

NOTE: Always add up the total maximum flow of all outlets and ensure that total potential flow does not exceed any valves flow rating. Check with state and local codes for maximum system GPM flow rates allowed.

## Thermostatic Valve with Volume Control and Transfer Valve with 2 Outlets

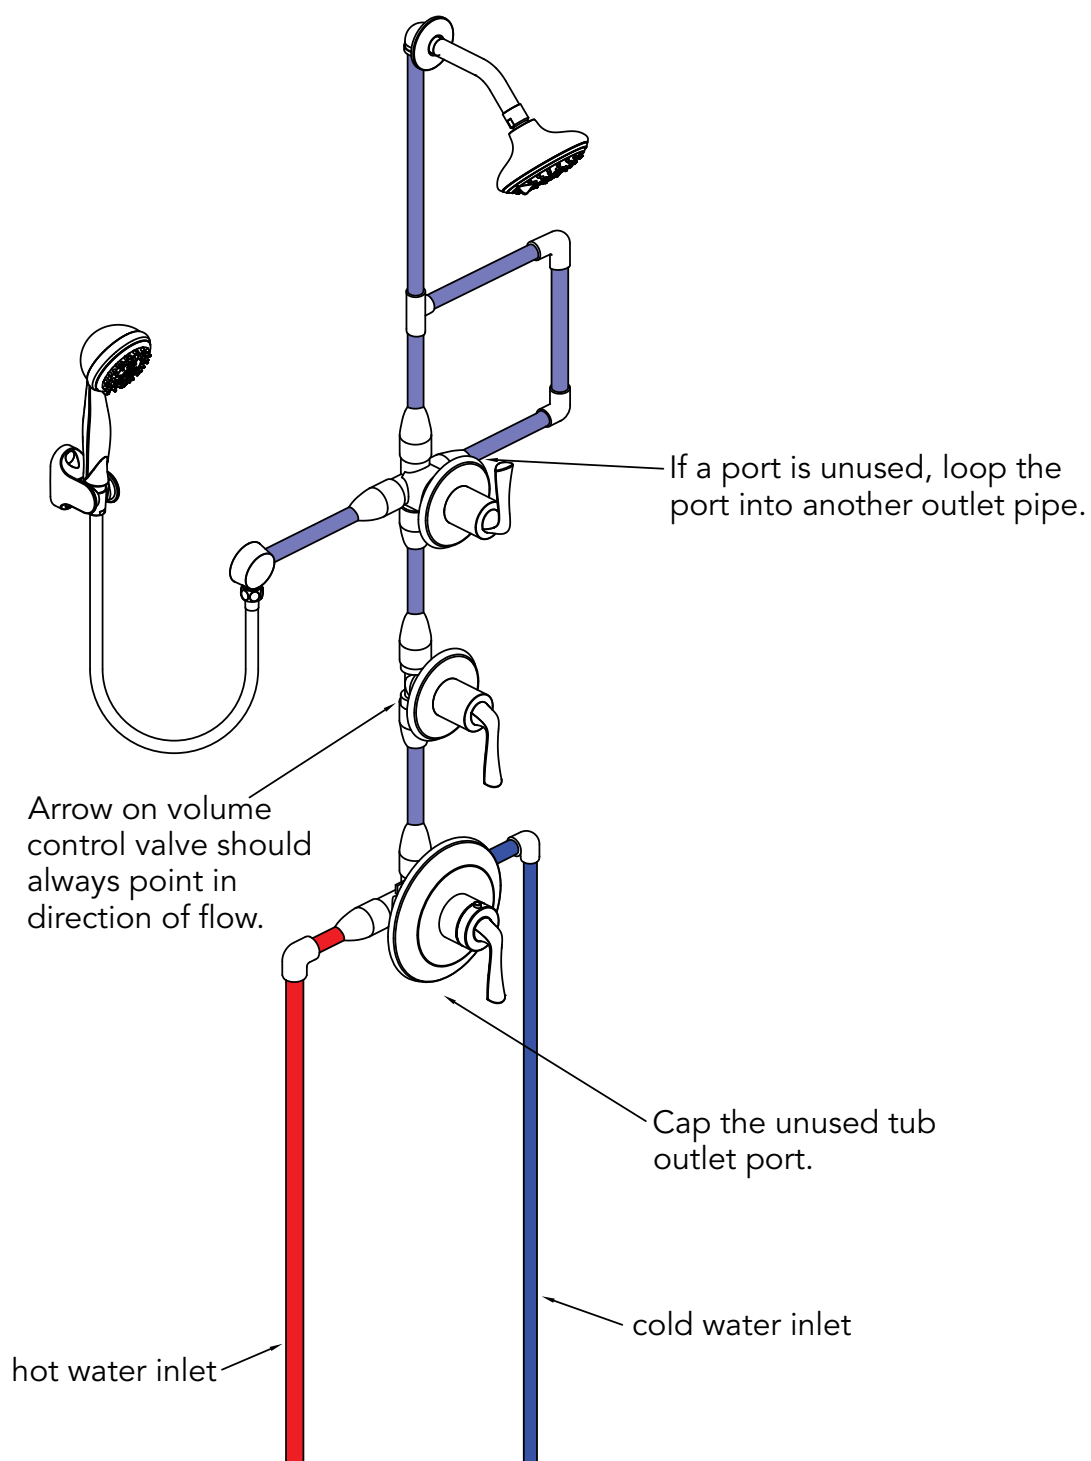

NOTE: Always add up the total maximum flow of all outlets and ensure that total potential flow does not exceed any valves flow rating. Check with state and local codes for maximum system GPM flow rates allowed.

## Thermostatic Valve with Volume Control and Transfer Valve with 2 Outlets

NOTE: Always add up the total maximum flow of all outlets and ensure that total potential flow does not exceed any valves flow rating. Check with state and local codes for maximum system GPM flow rates allowed.

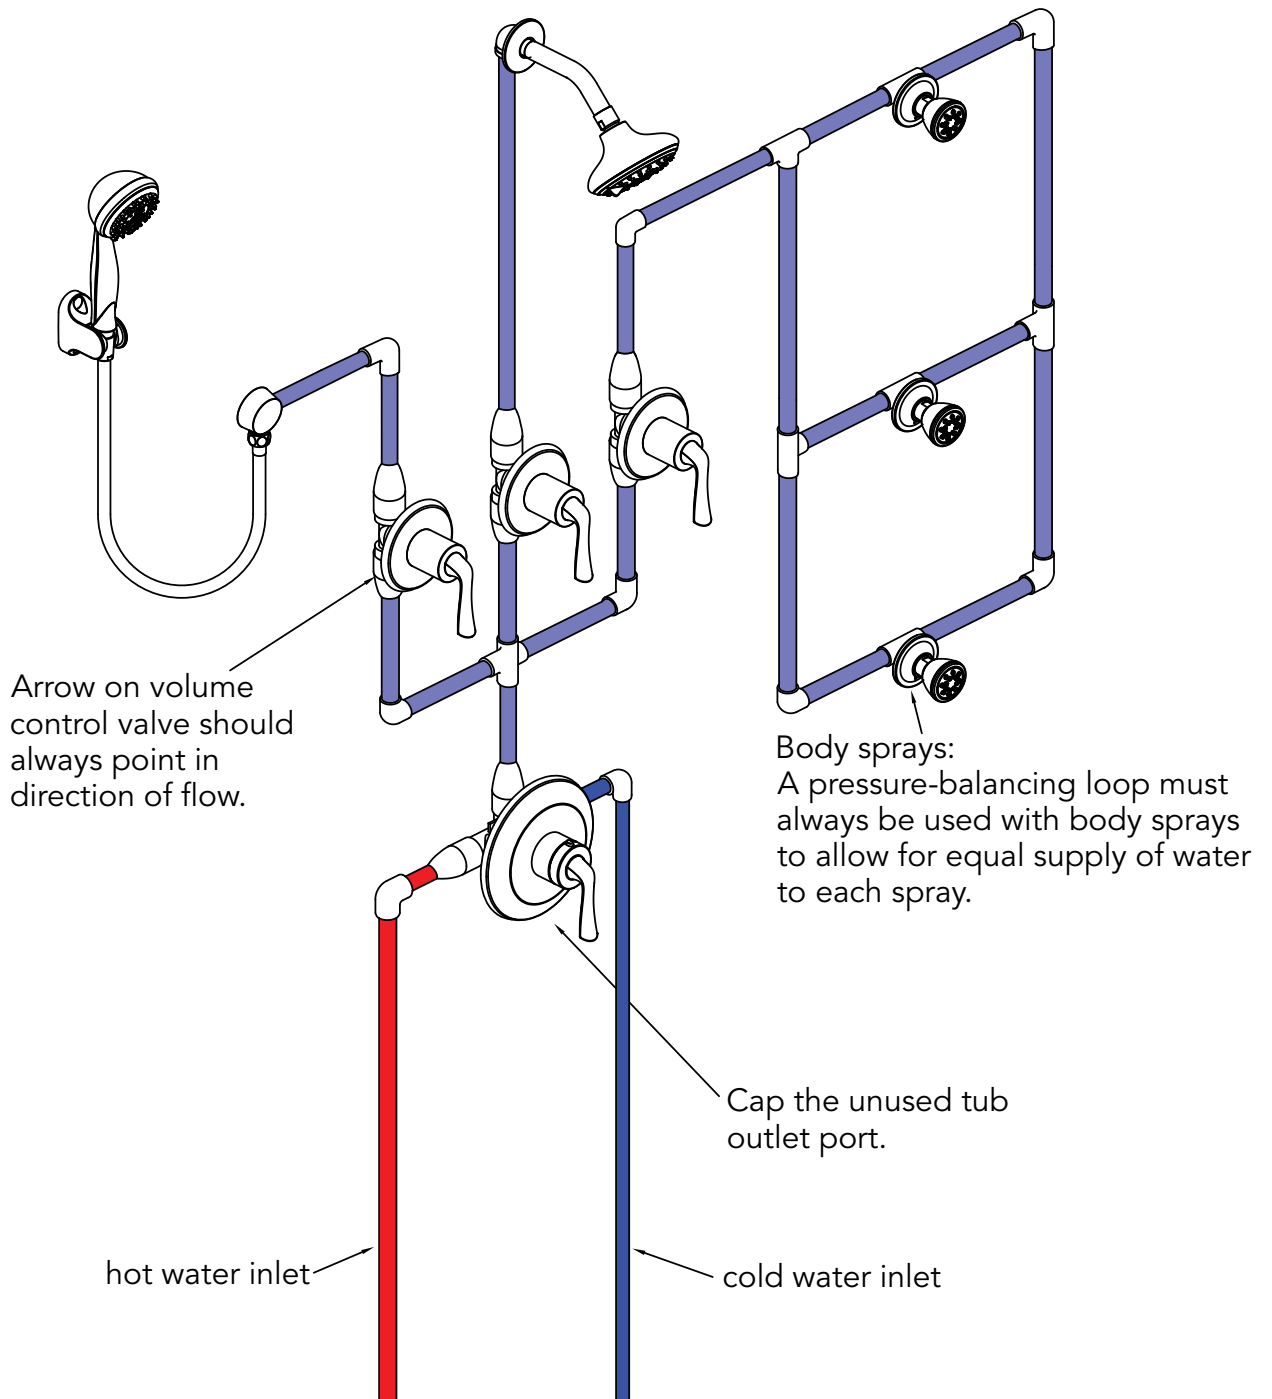

## Thermostatic Valve with Volume Control and Transfer Valve with 2 Outlets

NOTE: Always add up the total maximum flow of all outlets and ensure that total potential flow does not exceed any valves flow rating. Check with state and local codes for maximum system GPM flow rates allowed.

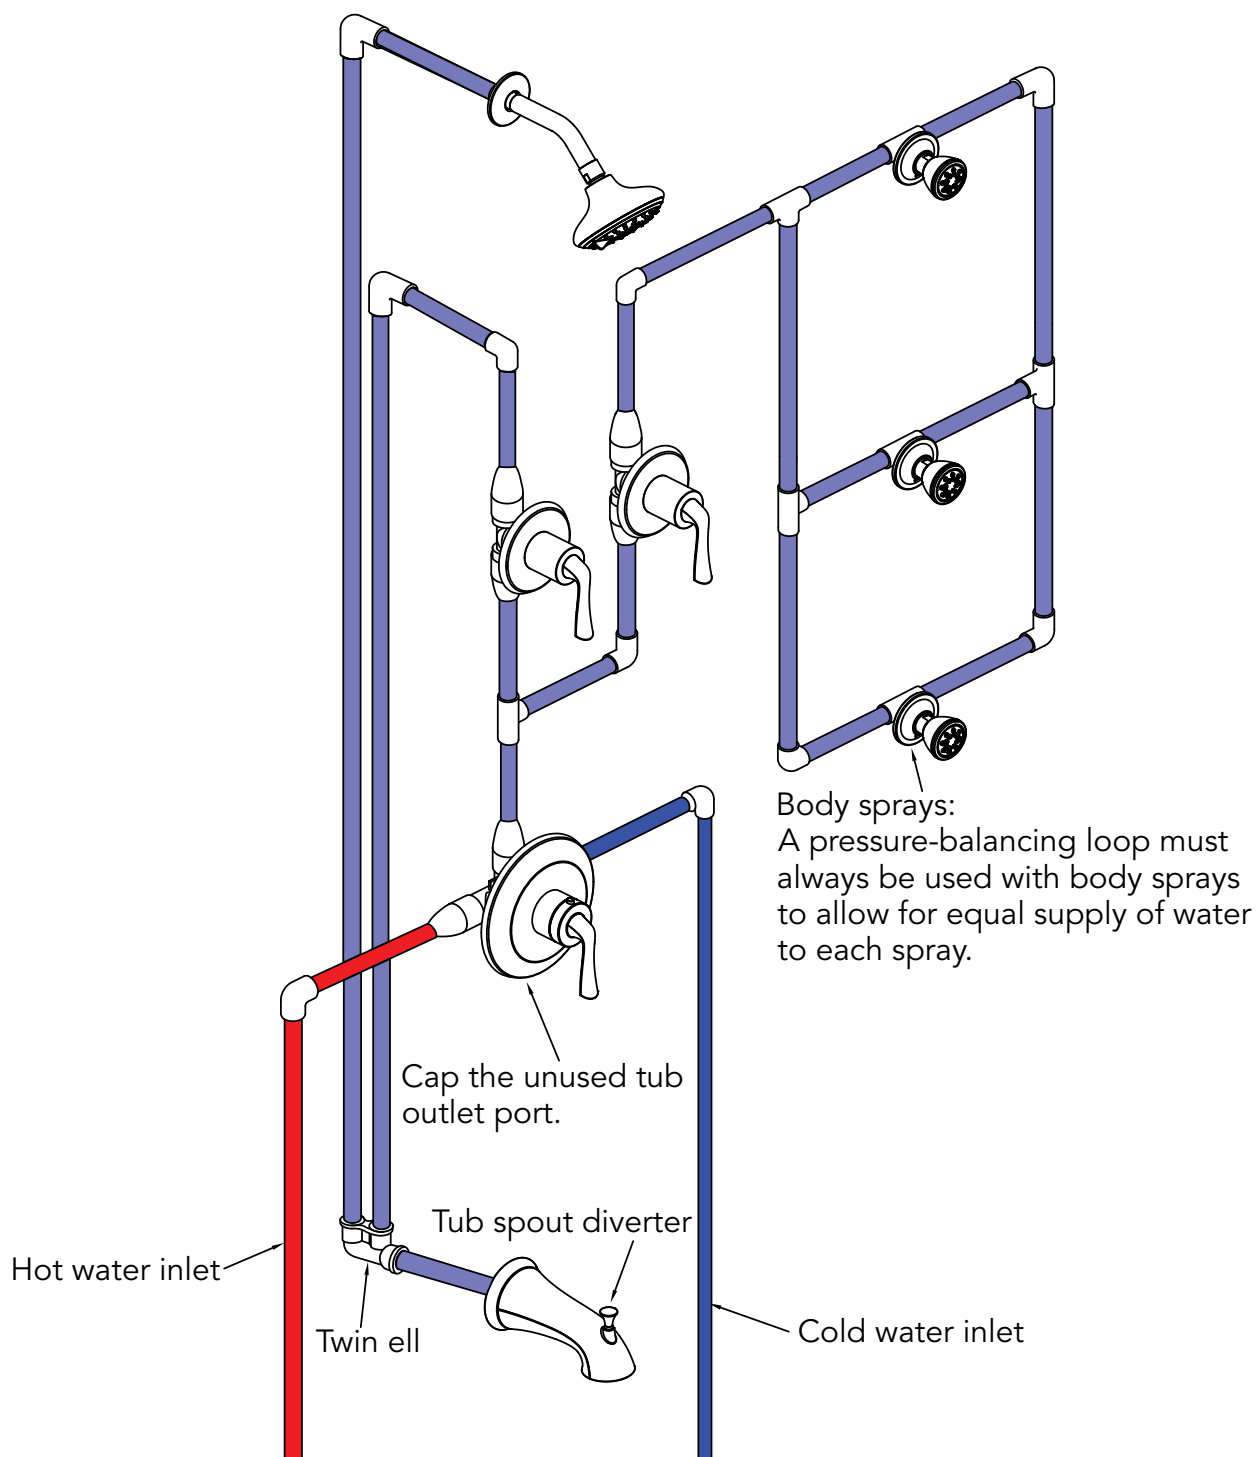

## Thermostatic Valve with Multiple Volume Controls

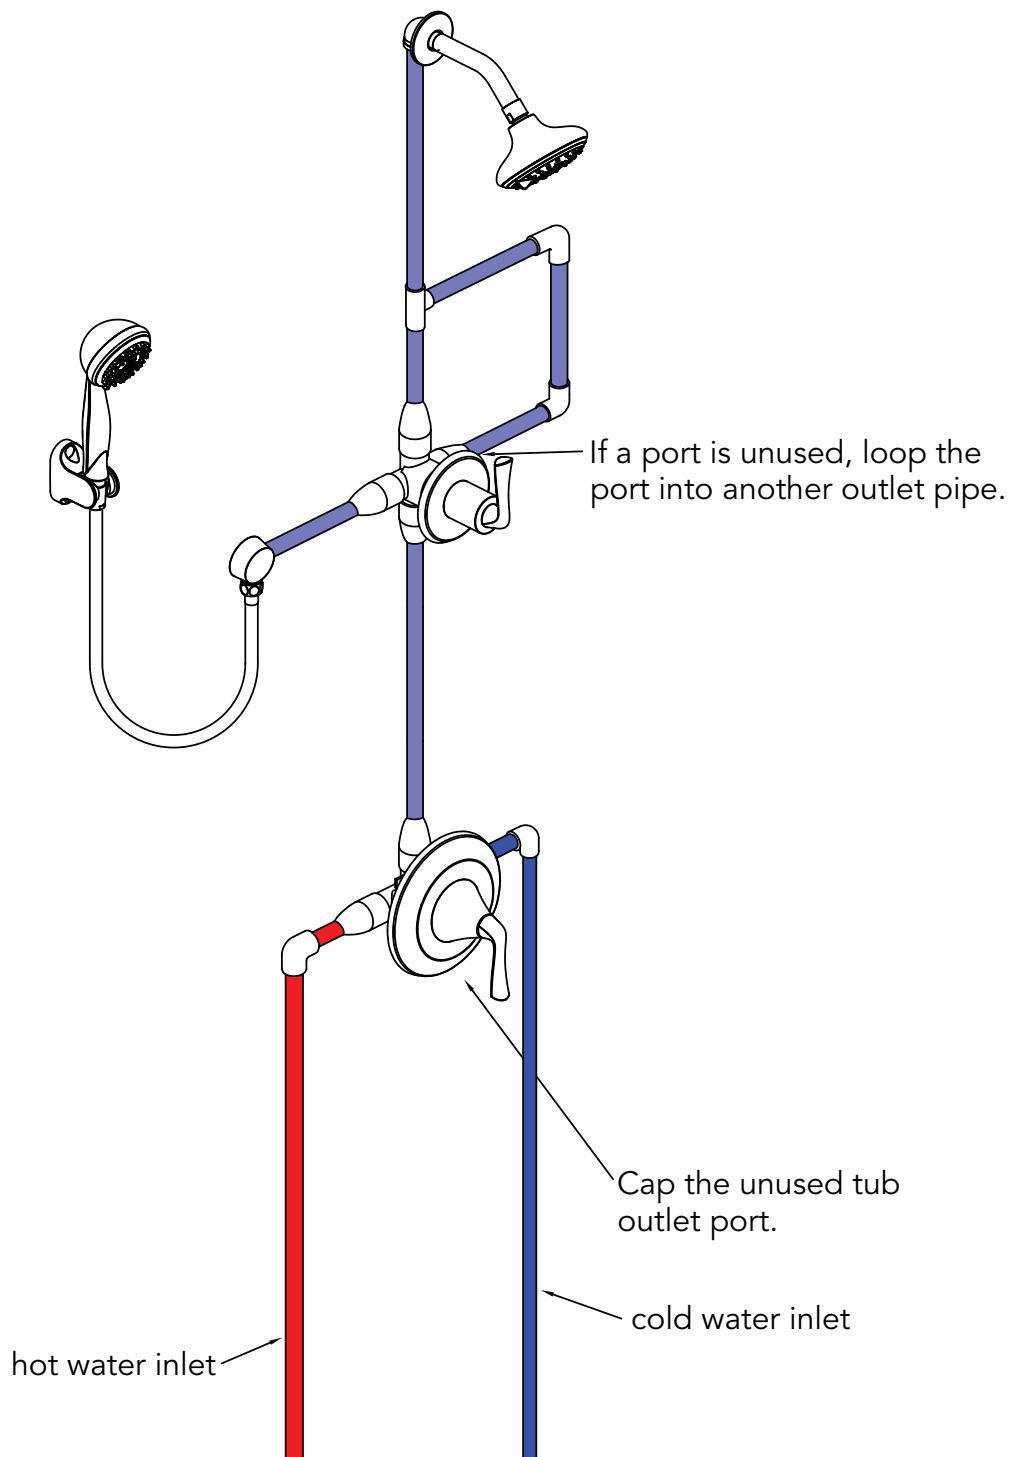

NOTE: Always add up the total maximum flow of all outlets and ensure that total potential flow does not exceed any valves flow rating. Check with state and local codes for maximum system GPM flow rates allowed.

## Thermostatic Valve with Multiple Volume Controls

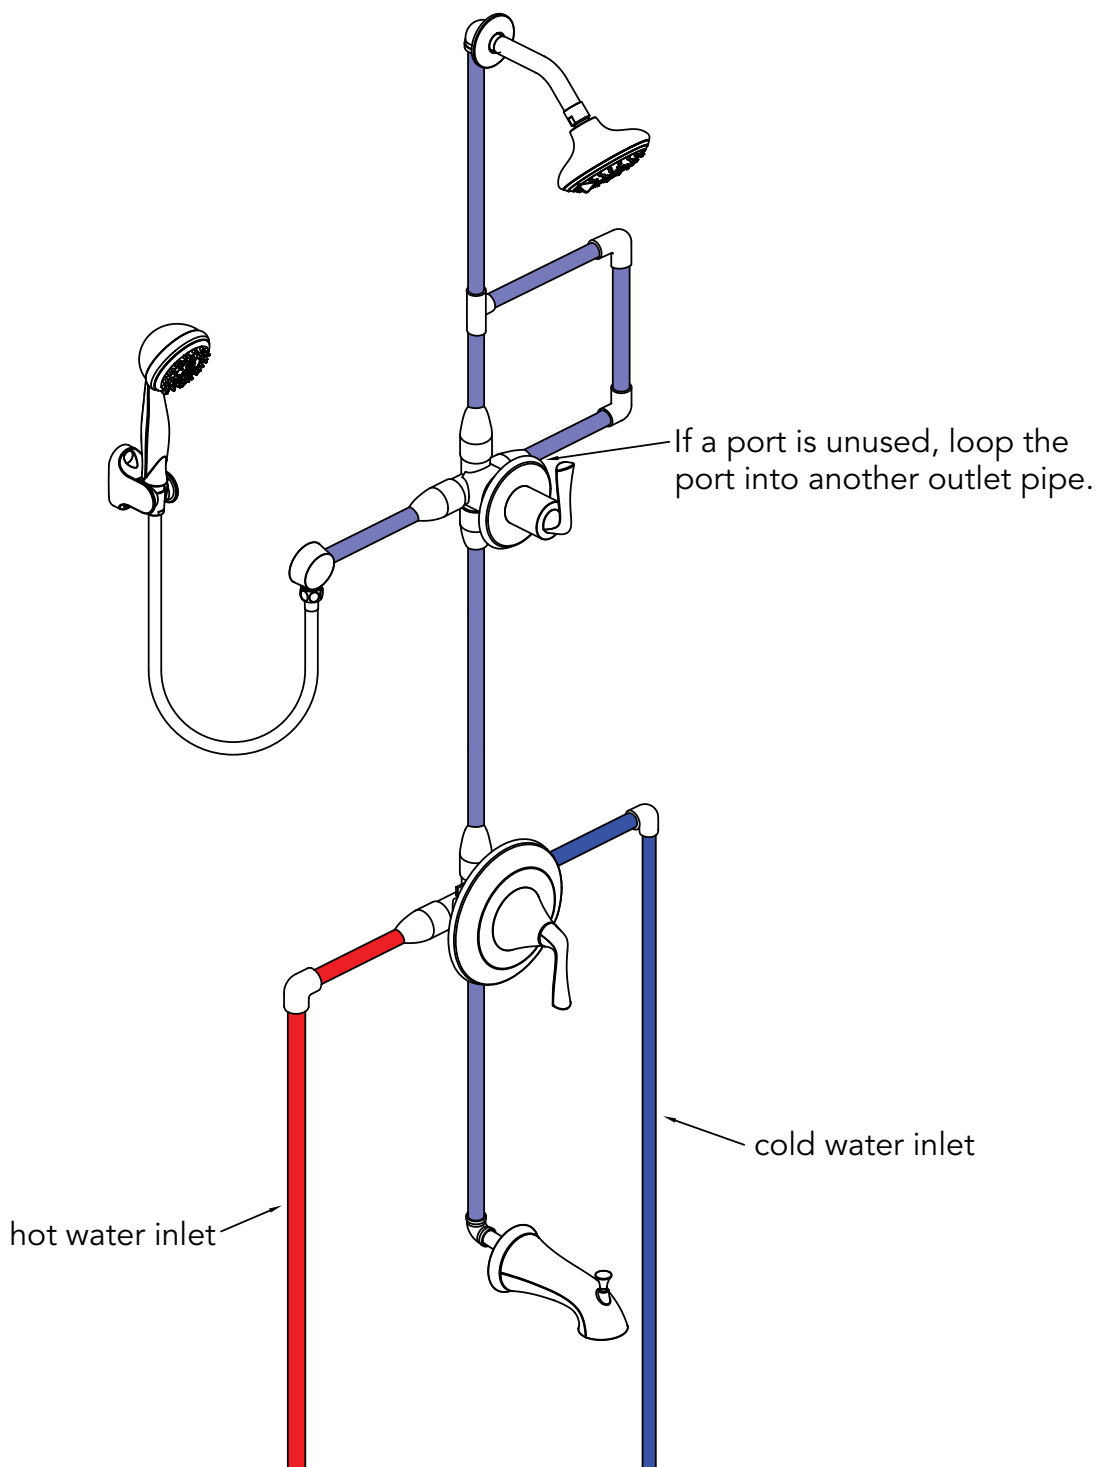

NOTE: Always add up the total maximum flow of all outlets and ensure that total potential flow does not exceed any valves flow rating. Check with state and local codes for maximum system GPM flow rates allowed.

## Pressure Balanced Valve with Transfer Valve and 2 Outlets

NOTE: Always add up the total maximum flow of all outlets and ensure that total potential flow does not exceed any valves flow rating. Check with state and local codes for maximum system GPM flow rates allowed.

## Pressure Balanced Valve with Transfer Valve, 2 Outlets and Tub Spout

NOTE: Always add up the total maximum flow of all outlets and ensure that total potential flow does not exceed any valves flow rating. Check with state and local codes for maximum system GPM flow rates allowed.

# CONSUMER LIMITED LIFETIME WARRANTY

## Industrial / Commercial Limited 5-Year Warranty

### WHAT IS COVERED?

Mirabelle warrants to the ORIGINAL CONSUMER PURCHASER that its faucets (except as explained under paragraph 3, below) shall be free from defects in material and workmanship under normal use and service FOR SO LONG AS THE FAUCET IS USED IN ITS ORIGINAL RESIDENTIAL INSTALLATION. If the faucet is used in industrial, commercial or business applications, the preceding sentence does not apply, but rather FOR ALL INDUSTRIAL, COMMERCIAL OR BUSINESS APPLICATIONS, THE WARRANTY SHALL BE A FIVE (5) YEAR LIMITED WARRANTY FROM THE DATE OF PURCHASE WITH ALL OTHER TERMS AND EXCLUSIONS OF THE WARRANTY APPLICABLE. This consumer warranty and this industrial/commercial/business warranty is applicable only to faucets purchased on or after June 1, 2003, starting on the date on the proof of purchase. For faucets purchased before June 1, 2003, the Mirabelle one-year limited warranty will apply.

### COMPANY'S OBLIGATIONS

The Company's obligations under the warranty set forth in paragraph 1 above shall be to replace free of charge any MIRABELLE faucet or component which is defective as stated above, or at the option of Mirabelle, to either refund the purchase price or repair the faucet. THE WARRANTY SET FORTH IN PARAGRAPH 1 IS IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, AND SHALL RUN TO THE ORIGINAL PURCHASER ONLY.

### WHAT IS NOT COVERED?

The warranty set forth in paragraph 1 does not cover and Mirabelle is not liable for, installation or any other labor charges or products which have been damaged as a result of any accident, misuse, abuse, neglect, improper installation or maintenance, the use of abrasive or organic solvent cleaners, modification, failure to use the faucet in accordance with instructions provided by Mirabelle or use of parts other than Mirabelle parts.

### HOW TO OBTAIN WARRANTY SERVICE

US Customers:

The purchaser should contact their local Ferguson location, installing contractor or builder from whom the product was purchased. To find your nearest Ferguson location please visit [www.ferguson.com](http://www.ferguson.com) and enter in your address into the Find a Location field.

Canadian Customers:

The purchaser should contact their local Wolseley Canada location, installing contractor or builder from whom the product was purchased. To find your nearest Wolseley Canada location please visit [www.wolseleyinc.ca](http://www.wolseleyinc.ca), then click on Find a Location and enter in your address into the location field.

### DISCLAIMER OF CONSEQUENTIAL OR INCIDENTAL DAMAGES AND OTHER WARRANTIES

MIRABELLE SHALL NOT BE LIABLE FOR PERSONAL INJURY OR PROPERTY DAMAGE OR ANY CONSEQUENTIAL, PUNITIVE OR INCIDENTAL DAMAGES. EXCEPT AS STATED IN PARAGRAPH 1, MIRABELLE DISCLAIMS ALL EXPRESS OR IMPLIED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. MIRABELLE LIABILITY, IF ANY, SHALL NOT EXCEED THE REPLACEMENT VALUE OF THE DEFECTIVE FAUCET. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.
