Pipe Cutters

- Auto-ratcheting
- Compact design ideal for hard to reach spaces and close to walls
- Easily snap on the tube and turn
- Hardened steel construction
- For use on hard copper tubing only
- Each tool is designed to cut a specific tube size
- Replacement blade wheel designed to fit all cutters
- Color: Yellow

RIGHT TOOLS
FOR THE
RIGHT JOB

From snips to saws and everything in between, you can rely on the wide assortment of RAPTOR tools to help get the job done right no matter what you’re working on.
Caulk & Caulk Guns

- Drip free
- Integrated plunger
- Capacity: 12 oz

SKU
RAP11002

Caulk & Caulk Guns

- Professional grade steel frame
- Integrated plunger
- Smooth design for accurate application
- Ladder hook
- Rotating barrel
- Includes swing-out steel rod for seal puncture and poker to help keep nozzle clear
- Capacity: 12 oz
- Length: 14"

SKU
RAP11004

Fitting Brushes

- Cleans copper tubing and fittings
- Wire brushes on each end to polish inside of copper fitting
- Fits Pipe Sizes: 1/2"–3/4"

SKU
RAP50185
Tape Measures

- Standard and metric measurements
- Large, top-forward blade lock
- Bottom stopper for controlled tape recoil
- High-impact rubber palm grip and case
- Wide blade with large numbers
- Belt clip
- Triple riveted hook grabs on side or top

**Fire Barriers**

- Designed for soldering or brazing using propane or Map-Pro™
- Flame and heat-resistant up to 2,200°F
- Asbestos free made from ceramic fibers with flexible aluminum backer
- Helps protect walls, wiring, studs, floors, carpet and more
- Smoke and odor-free and can be used over and over
- Aluminum backer can be molded around an object and also helps keep guard in place
- Size: 12" x 16"
- Material: Ceramic

**SKU**

RAPS64010

---

**Flaring Tools**

- Flares tubing 3/16"–5/8"
- Hardened steel tip

**SKU**

RAPS50315

---

**Pipe Saws**

- Cuts PVC, CPVC and ABS up to 12" diameter
- Heavy-duty handles
- Ideal in tight spaces, such as pipes that are against walls, between rafters or anywhere else where a normal cutter won’t fit

**SKU**

RAPS15610 24"

RAPS15615 36"
**Hacksaws**

- High-tension design hack saw
- Cutting angles of 90° and 45°
- Front and back comfort grip handles
- Quick change blade
- Length: 12"

**SKU**

RAP15507

---

**Hacksaws**

- Cuts wood, plaster, steel and brass
- Ideal for tight places

**Nut Drivers**

- Nut driver
- For installing and removing sink clips

**SKU**

RAP50325

**Sillcock Keys**

- Adjustable valve key
- Fits furnaces, gas valves and hose bibbs
- Sizes: 1/4", 9/32", 5/16" and 11/32"

**SKU**

RAP50105

**Pipe Reamers**

- Removes plastic pipe from plastic fittings
- Rate of cut depends on the RPM and power of the drill along with the amount of pressure applied to the drill while reboring
- To be used with schedule 40 applications only

**SKU**

**Electrical Wire Strippers, Crimpers & Cutters**

- Cuts, crimps, strips and measures
- All steel tool with shear type edge, cuts both stranded and solid copper wire
- Capacity: 10–22 AWG
- Gages solid and stranded wire sizes

SKU

RAP18541

**Waterworks Rachets & Sockets**

- 3 piece double socket set
- For tightening nuts on long bolts or all-thread rods withoutbottoming out
- For use on bolts, mechanical joints, hex nuts, clamps, couplings and saddles
- Slip resistant and comfort grip handle resists splitting or cracking
- Kit Includes: Case and Socket Sizes: 1-1/4", 1-1/8" and 7/8"

SKU

RAP41003

**Waterworks Rachets & Sockets**

- Double socket
- For tightening nuts on long bolts or all-thread rods withoutbottoming out
- For use on bolts, mechanical joints, hex nuts, clamps, couplings and saddles
- Slip-resistant and comfort grip handle resists splitting or cracking

Adjustable Wrenches

- Pivot handle for nuts and bolts that are difficult to access
- Tightens nuts on long bolts or all-thread rods without bottoming out
- Can also be used for mechanical joints, hex nuts, clamps, couplings and saddles
- Slip-resistant, comfort grip handle resists splitting or cracking
- Heavy duty construction
- Size: 1-1/16"

Adjustable Wrenches

- Unique jaw design precisely grips the at sides of fasteners, avoiding the rounding of corners
- Specially designed handle reduces weight by 10%
- Laser-etched SAE and metric rule on wrench head for easy fastener size identification
- Non-protruding moveable jaw end allows easier access to fastener in tight spaces
- With a 18%–25% wider jaw opening, the useful range of fastener sizes increases significantly
- Max Capacity: 1-1/2"
- Length: 8"

SKU

RAP18006
### Basin Wrenches

- For use in installing or removing faucets
- Adjustable: 9”–15”
- Length: 15-1/4”

SKU

RAP50230

### Basin Wrenches

- For removing and installing faucets
- Length: 11”
- Max Capacity: 9”

SKU

RAP50115

### Drain Wrenches

- Ideal for installing and removing tub drains and closet spuds
- Prevents scratching of decorative finishes
- Double ended to fit most tub drains

SKU

RAP50205
Hydrant Tools

- Adjustable
- Fits most hydrant operating nuts
- Textured end to provide surface for gripping
- Nut is cast component and is de-burred for smooth seating
- For use on pentagon nuts and pumper or steamer caps
- Length: 18"

SKU

RAP41002

Spud Wrenches

- For all types of traps and nuts
- Material: Malleable iron
- All purpose wrench can be used on various slip nuts
- Specially notched for strainer locknut
- Max Capacity: 3"
- Length: 5–14/25"

SKU

RAP50125

Pipe Wrenches

- High-grade cast iron, forged and heat treated for maximum durability
- Scale marked on hook for quick adjustment
- Balanced design provides better weight distribution
- CrV jaw provides increased bite and less slip
- Color: Red

</table>
Pipe Wrenches

- Material: Aluminum
- Nearly 40% lighter than comparable cast-iron models of the same size
- Built to last guaranteed to withstand jobsite abuse
- Balanced design provides better weight distribution
- Scale marked on hook for quick adjustment
- CrV jaw provides increased bite and less slip
- Heat treated adjusting nut spins easily
- Length: 14"
- Pipe Capacity: 2"

## Drain Wrenches

- Long locking handle
- “Schofield” style nut wrench
- Universal fit

**SKU**

RAP50215
Chain & Strap Wrenches

- Provides gripping power without scratching or deforming plastic and polished metal pipe
- Use on plastic pipe, filters, any slick or smooth surface
- Balanced design provides better weight distribution
- Woven nylon strap provides strong grip
- Length: 12"
- Max Capacity: 5"

SKU
RAP11312

Torque Wrenches

- For use when installing no hub style couplings
- Measures torque on no hub couplings to 60 in-lbs
- Ratchets when correct torque is achieved
- Drive Size: 5/16"
- Color/Finish: Black

SKU
RAP50145

Torque Wrenches

- T-Handle style tools color coded to match the correct no-hub coupling.
- Torque setting designed to slip when coupling nut has reached proper setting
- Locking collar lets user tighten nut to specified torque setting in one direction or use as non-torqueing tool in both directions
- High quality tool, comfortable grip, 5" shaft.

WARRANTY: Subject to the limitations expressed herein, Seller warrants to the original Buyer that tools manufactured and sold by Seller ("Tool") shall be free from defects in design, material and workmanship under Normal Use for warranty period as described in Table 1. This warranty is void for any damage caused by misuse, abuse, neglect, improper maintenance or which fails to operate due to normal wear and tear or acts of God. For the purpose of this section, "Normal Use" means in strict accordance with any documentation describing safe practices used by a professional tradesman in the industry. This warranty is void if the product is repaired or modified in any way by anyone other than the Manufacturer. User must provide proof of date of purchase when making a claim.

REMEDIES: Seller shall replace at no additional charge any tool that it receives from the original buyer not conforming to the warranty set forth herein. Seller hereby disclaims all other expressed or implied warranties, including, without limitation, all implied warranties of merchantability and fitness or fitness for a particular purpose.

LIMITATION OF LIABILITY: Under no circumstances shall either party be liable to the other for incidental, punitive, special or consequential damages of any kind. Buyer hereby acknowledges and agrees that under no circumstances, and in no event, shall seller’s liability, if any, exceed the net sales price of the tool.

LABOR ALLOWANCE: Seller makes no additional allowance for the labor, shipping or other expense incurred by buyer to return, repair or replace the tool or damage resulting from the same.
