

# Welcome to the New and Improved PunchOut Solution

## Navigate PunchOut

The new and improved PunchOut lets you access a customized web product catalog from your purchasing software – shop, create a cart and order through your purchasing system.

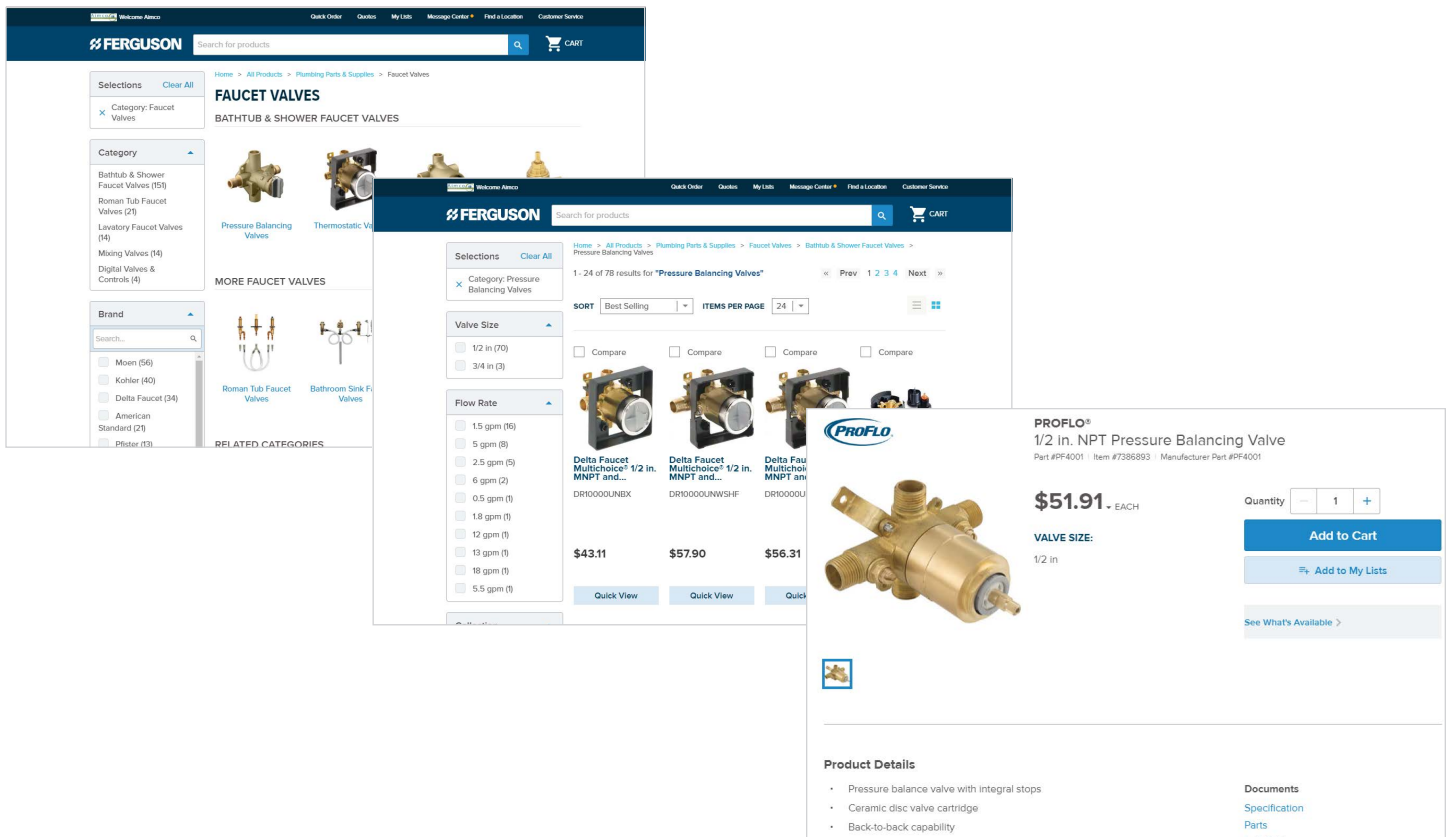

### Benefits include:

- Customized product catalog
- Improved search and navigation to enable you to find products faster
- Real-time pricing and up-to-date product information
- Access to images, technical specifications and MSDS sheets
- Streamlined quotations to expedite the approval process
- Integration of purchase orders and invoices with your procure-to-pay process

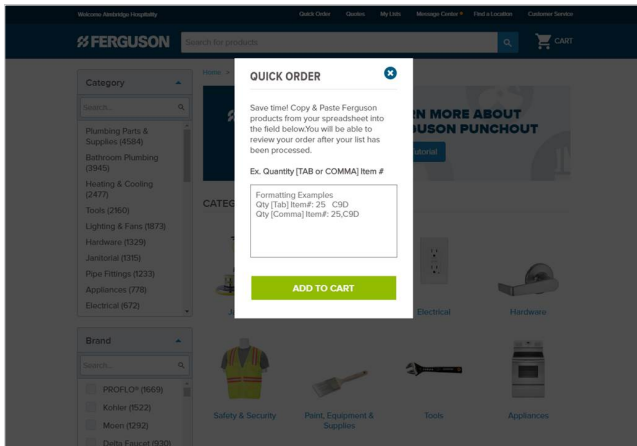

## Category Landing Page

You can easily search a product category to quickly find products and view product details (including images and product specs).

### Quick Order

Quick Order allows you to enter item numbers and order quantities into the open field and adds them directly to the cart for fast checkout.

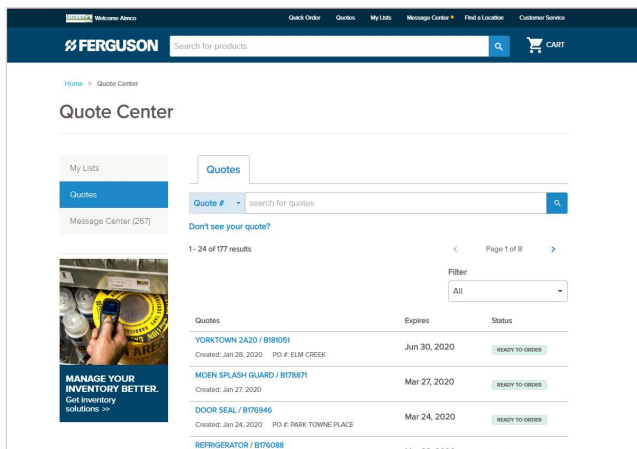

Products and quantities can be keyed in manually or copy/pasted from a spreadsheet using one of the designated formats shown here.

### My Lists

My Lists is a tool that helps you organize your most purchased products to save you time. Use My Lists to create orders and quotes with a few clicks instead of individually searching for the products you purchase regularly.

### Quote Center and Quotes

The Quote Center allows you to view any quotes that a Ferguson associate has made viewable to you and are in the "Ready to Order" status.
