

Product navigation and search capabilities are essential for a successful e-commerce experience. The interface should allow users to easily find products and view detailed information, including images and specifications. The design should be clean, intuitive, and mobile-responsive, ensuring a seamless user experience across all devices.

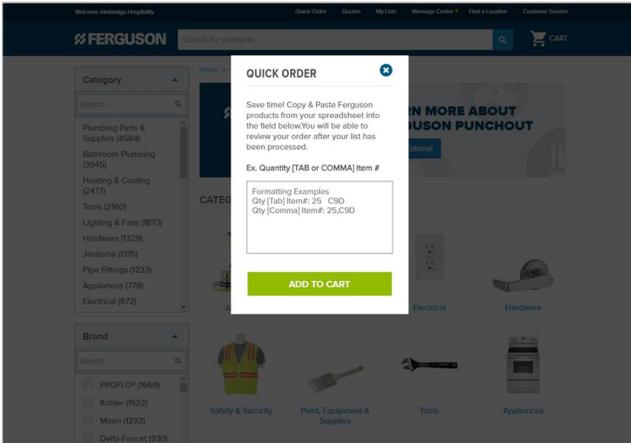

Category Landing Page

You can easily search a product category to quickly find products and view product details (including images and product specs).

The image displays two screenshots of the Ferguson website. The left screenshot shows the 'FAUCET VALVES' category landing page. It features a search bar at the top, a navigation menu, and a list of product categories including 'BATHTUB & SHOWER FAUCET VALVES', 'PRESSURE BALANCING VALVES', 'ROMAN TUB FAUCET VALVES', 'LAVATORY FAUCET VALVES', 'MIXING VALVES', and 'DIGITAL VALVES & CONTROLS'. The right screenshot shows a detailed product view for a 'PROFLO® 1/2 in. NPT Pressure Balancing Valve'. The product is priced at \$51.91 each and includes a quantity selector, 'Add to Cart' button, and 'Add to My Lists' button. The product details section lists features such as 'Pressure balance valve with integral stops', 'Ceramic disc valve cartridge', and 'Back-to-back capability'. The 'Documents' section includes links for 'Specification', 'Parts', and 'Installation'.

New and Improved PunchOut Solution cont.

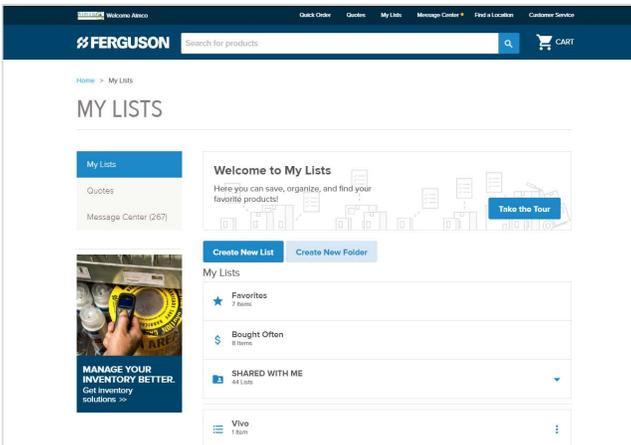

Quick Order

Quick Order allows you to enter item numbers and order quantities into the open field and adds them directly to the cart for fast checkout.

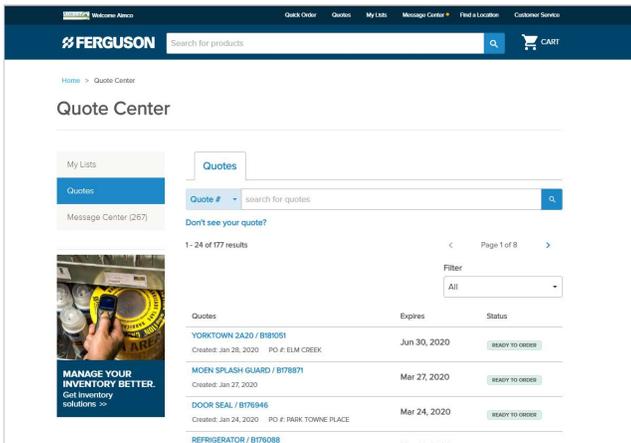

Products and quantities can be keyed in manually or copy/pasted from a spreadsheet using one of the designated formats shown here.

My Lists

My Lists is a tool that helps you organize your most purchased products to save you time. Use My Lists to create orders and quotes with a few clicks instead of individually searching for the products you purchase regularly.

Quote Center and Quotes

The Quote Center allows you to view any quotes that a Ferguson associate has made viewable to you and are in the "Ready to Order" status.
